
HOW TO ACTUALLY MAKE MONEY WITH AI

7 Real AI Services You Can Start Today (No Coding)

by Uptodivyansh

AI WEDDING PLANNER SERVICE

💡 Overview

Planning a wedding requires managing many details like vendors, decorations, timelines and guest lists.
Instead of manually researching everything, AI can generate a structured wedding plan in minutes.

You collect the couple's requirements, generate a plan using AI, and deliver it as a clean digital document.

🤖 AI Prompt

You are an experienced Indian wedding planner. Create a complete wedding planning guide for a couple. Include:

- event timeline
- vendor categories
- decoration ideas
- invitation concepts
- guest checklist

💼 Tools

Use simple tools to run this service:

- Claude for generating planning documents (🧠 brain icon)
- Canva for designing the final guide (📄)
- WhatsApp Business for client communication (💬)

⚙️ Workflow

1️⃣ Client sends wedding details
2️⃣ Generate the plan using AI
3️⃣ Format the plan in Canva
4️⃣ Deliver the final PDF

💰 Pricing

Basic planning guide: ₹4,000 – ₹6,000
Detailed planning package: ₹7,000 – ₹12,000

📣 Getting Clients

- Search Instagram for couples planning weddings
- Join wedding planning Facebook groups
- Offer a free sample checklist to attract clients

AI YOUTUBE THUMBNAIL DESIGN

📘 AI Thumbnail Service

🔍 Overview

YouTubers need attractive thumbnails for every video. AI image tools can help generate designs quickly.

💼 Tools

- Canva
- Midjourney
- Photoshop

⚙️ Setup

1. Open canva.com and explore thumbnail templates.
2. Use Midjourney or AI image tools for visuals.
3. Create reusable thumbnail layouts.

🔄 Workflow

1. Creator sends video title.
2. Generate background image with AI.
3. Design thumbnail in Canva.
4. Deliver final PNG.

💰 Pricing

₹300 – ₹700 per thumbnail

📢 Getting Clients

Search small YouTube channels (1k–50k subscribers) and message them.

AI CAMPAIGN CONTENT CREATOR

Overview

Candidates need speeches, posters and social media content during elections. AI can generate campaign materials quickly.

Tools

- Claude
- Canva
- Veo

Workflow

1. Collect candidate details
2. Generate speech scripts in Claude
3. Create posters in Canva
4. Generate short videos using Veo

Setup

1. Create account on claude.ai
2. Open canva.com and create design templates
3. Use Veo for short campaign videos

AI PRODUCT DESCRIPTION SERVICE

Overview

E-commerce stores often have hundreds of products but poor product descriptions. Good descriptions increase conversions and SEO traffic. AI can generate optimized descriptions quickly.

Tools

- ChatGPT
- Shopify
- Google Docs

Setup

1. Create account on chat.openai.com.
2. Prepare a product description template.
3. Practice writing descriptions with keywords.

Workflow

1. Store owner sends product images and details.
2. Generate product description with AI.
3. Edit slightly for tone and brand voice.
4. Deliver descriptions in a document.

Pricing

₹30 – ₹70 per product description
or ₹2,000 – ₹5,000 for bulk work.

📣 **Getting Clients:** Search Shopify stores on Instagram and message owners.

📘 AI Blog & SEO Content Service

Overview

Websites need regular blog posts to rank on Google.

Most small businesses don't have time to write articles themselves.

Using AI writing tools, you can generate blog posts quickly and edit them for quality.

⚙️ Setup

1. Go to chat.openai.com and create an account.
2. Visit surferseo.com to understand SEO keywords.
3. Create a Google Docs template for blog articles.

💰 Pricing

₹800 – ₹1,800 per article

or ₹4,000 – ₹8,000 monthly packages.

💼 Tools

- ChatGPT
- Surfer SEO
- Google Docs

🔄 Workflow

1. Client sends topic or keyword.
2. Generate article draft using ChatGPT.
3. Improve headings and structure.
4. Deliver 800–1200 word article.

📣 Getting Clients

Search on LinkedIn for:

- startup founders
- marketing agencies
- Shopify store owners

Many need regular blog content.
